

Nordic Geotechnical Meeting - NGM2012 9-12 May 2012, Tivoli Congress Center, Copenhagen, Denmark

CONFERENCE AIM

The aim of the conference is to strengthen the relationships between practicing engineers, researchers, and scientists in the Nordic region within the fields of geotechnics and engineering geology. Danish Geotechnical Society invites you all to share your experience and knowledge with your Nordic colleagues.

This conference will be the 16th NGM, where the last was held in Sandefjord in Norway, 2008.

SCIENTIFIC PROGRAMME

The conference will include invited lectures and presentation of submitted papers, divided in multiple sessions. All papers will be available in a printed proceeding.
